

Case Study

Devon Seafood Grill
Milwaukee, Wisconsin

Case Study: Devon Seafood Grill

Location: Milwaukee, Wisconsin

Description: Our Workshop custom manufactured the seven foot chandelier in the main dining room. The fixture, which consists of 12 light sources, has an inner hand sewn shade of red fabric with a hand sewn sheer outer shade. In addition, our Workshop manufactured complimentary shade pendants in other areas of the restaurant.

Dimensions: Diameter – 84"
Height – 224" (overall from ceiling)
Height – 46" (fixture body, light source and shade)
